

Lower Your Commercial Electric and Natural Gas Costs!

Volunteer Energy

Another **Great Savings** idea provided through Strategic Energy Services!

Lower Your Commercial Electric and Natural Gas Costs!

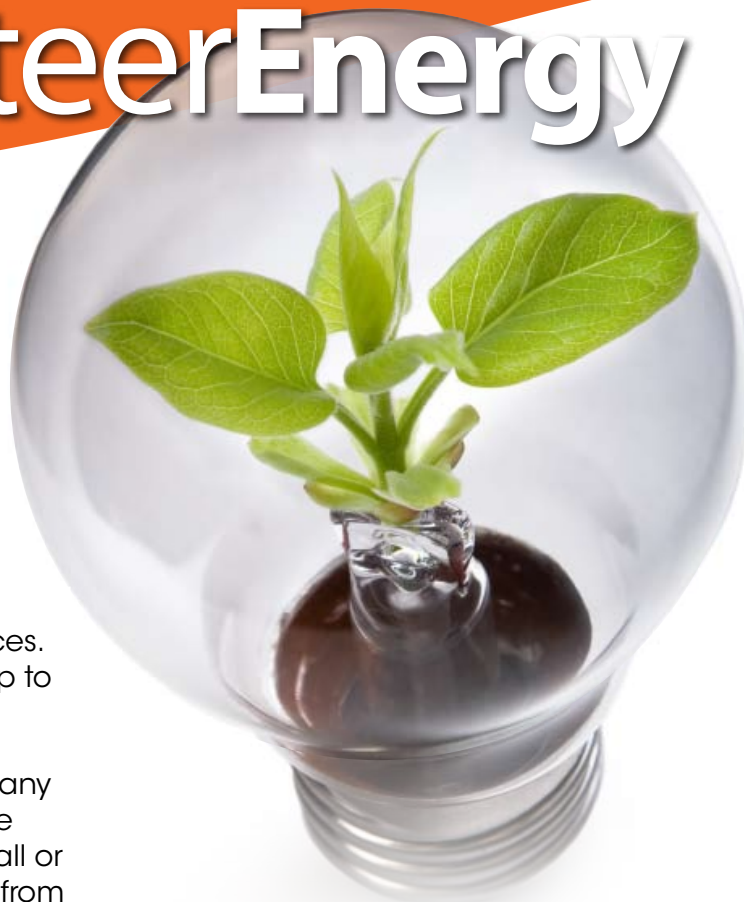

Strategic Energy Services and Volunteer Energy have teamed up to provide area businesses substantial savings on Commercial Electric and Natural Gas prices. Electric savings of 20% or more and Gas savings of up to 10% are possible.

Most local businesses have saved thousands, and many even hundreds of thousands of dollars, by making the switch to Volunteer's programs. No account is too small or too big to realize a significant percentage of savings from what you are currently paying!

Lower Electricity & Natural Gas means...

With Volunteer Energy's Electric Program you have the following advantages:

- Same billing & Service provided by AEP
- 3 year rate guarantees
- No additional monthly charges
- Guaranteed Lower Fixed Rates
- No Minimum usage required to Enroll or Save
- Easy One page enrollment form
- Several levels of pricing as low as 6.25 cents per kWh.

Greater Savings for Your Company...

Contact us today for a no obligation quote! All we need is a copy of your recent Electric and Gas bills. Email or Fax information to:
